Advances - loans - Hadagalli taluk - Devagondanahalli village - borrower Chalavadi Vencappa- arrears Rs. 163.9.0 -write off - proposals -

A loan of Rs.400 was sanctioned to one Chelavadi Venkappa of Devagondanahalli village of Hadagalli Taluk for sinking a well and for construction of voddu and removal of nuth grass on the security of S.Nos. 3 C and 3D of the same village in L.I.L. 4/F. 1335 at 7½ % repayable in 20 years. According to the rough estimate prepared by the Revenue Inspector Rs. 180 was required for the well and Rs.220 for vaddu and nuth grass. Though Rs.400 was sanctioned by the then Tahsildar M.R.Ry;, Harikrishnam Naidu Rs.180 only was disbursed as the first instalment by his successor in office. As the borrower failed to execute any work the hypothecated lands were attached and sold. Twice the sale proved unsuccessful but at the third sale they fetched Rs.51. The sale was confirmed by the Divisional Officer and the sale proceeds adjusted towards the arrears. There is still a sum of Rs.163.9.0 outstanding against -- principal. The defaulter had two other patta lands S.Nos. 1 and 10 A and these were attached and sold. No amount was realised by the sale of these lands as they were bought in by Government. As there is no other property of the defaulter to be proceeded against, the Revenue Divisional Officer Hospet recommends the write off of the amount. I have --

I have noticed certain irregularities in the conduct of the loans enquiry at the time of the grant of the loan and I have framed charges against the Revenue Inspector and the then Tahsildar Mr. Harikrishnam Naidu who is now the Revenue Divisional Officer, Dharmaveram, Anantapur District who were responsible for the irregularities. I enclose a copy of the charge framed against Mr. Harikrishnam Naidu. for your approval. I shall forward it to the Collector of Anantapur for obtaining his explanation and submit it to the Board for orders. I shall deal with the Revenue Inspector myself.

2. I therefore request that the arrears of Rs.163.9.0 may be written off the accounts as there is no possibility of recovering the amount The connected loans records are enclosed.

Charge framed against M.R.Ry., Harikrishnam Naidu Avl.

Charge.

You as Tahsildar of Hadagalli sanctioned a loan of Rs.400 to one Chelavadi Vencappa on 21.8.25 in LIL0.4/F. 1335, without going through the records carefully. The application was for a loan of Rs.300 for construction of a well and voddu. The village officers estimated the value of the lands hypothecated at Rs.250 and recommended a loan of Rs.200. The Revenue Inspector estimated the prospective value of the lands at Rs.500 without any data contrary to Rule XI Note (1) Page 63 of the Taccavi Manual and recommended a loan of Rs.400. You knew that the lands proposed to be mortgaged for the loan originally formed part of a vanka, and were assigned to the borrower who was a Depressed Class man. The lands were fallow and never have been under cultivation since their assignment. They fetched only a sum of Rs.51 when sold. As the borrower had been paid only Rs.180 though 400 was sanctioned the loss to Government is Rs.163.9.Ø. towards principal. If the full amount had been paid the loss would have been more. You ought not to have sanctioned a loan of Rs.400 on such imperfect enquiry. Show cause why you should not be punished for your carelessness and over-valuation of the lands.

Please see letter from the Collr. of Bellary at pages 1 and 2 c.f.

2. He states that the other lands of the defaulter were also attached and sold for loan/arrears and were bought in by Govt. These lands (dry) measure nearly 6 acs. and it is not stated why there was no bid for them. The records relating to their sale have not been subm'd. It is for consideration whether the Collr.may be asked to consider the advisability of bringing them to resale, otherwise the Collector's recommendation to write off the loan arrear of Rs.163-9-0 may be accepted.

3. Please see concluding portion of para 1 of the Collector's letter and the draft charge framed against the Tahsildar at p.3 c.f. The hypothecated lands measuring 2.57 acs. were valued at Rs.250 or Rs.100 per acre by the village officers and ryots in ~~its~~ their unreclaimed state. The R.I. also only adopted the valuation but took the prospective value of the land into consideration in recommending the loan. The Collr. considers

that this is contrary to the provisions of Rule XI note (1). In the case of applications for loans for sinking wells the officer dealing with the application may if he is satisfied that there is a reasonable prospect of the well being a success take into consideration the value which the land will possess after the well has been sunk. In the present case it is not known whether the R.I. was satisfied beforehand that the well would be a success. Any how only a sum of Rs.180 was granted to the borrower. In the 3rd sale held on 23-4-28 a sum of Rs.51 was realised. The R.I. who held this sale reported while recommending its confirmation that the land was worth about Rs.200 at the time of the sale and that since the nala was not used no one came forward to make higher bids. His estimate made after three years is higher than the amount actually advanced to the borrower and is nearly equal to the estimate at the time of enquiry. In view of these considerations the charge of over-valuation levelled by the Collector loses much of its force and cannot be pressed Mr.Harikrishna Nayudu (now R.D.O.) the Tahsildar involved in the present case has already been punished with stoppage of increment for careless enquiry in another loan case and an explanation is pending against him in another loan case. It seems unnecessary ~~therefore~~ to pursue either the Tahsildar or the Rev.Inspr. in the present

and
the R.I's report on the loan appl. gave sufficient warning to the Talr. On the facts reported there were no sufficient grounds for the grant of a loan of Rs.400. The charge framed by the Coll. may be approved and the expl. accepted.

4. The 1st instalment of the loan was disbursed on 24-8-25 and the six months time allowed would have lapsed by March 1926. From March 1926 to April 1928, three sales were held. The dates of the last 2 sales are not known. Evidently there has been delay in taking co-ercive processes and the R.D.O. had already called upon the persons concerned to explain the delay and would have presumably taken suitable disciplinary action where necy.
